# I NEED YOUR SUPPORT

My campaign runs between March 20, 2015 and May 29, 2015.

My goal is to raise \$100,000 in ten weeks for the benefit of the Leukemia and Lymphoma Society (LLS), which carries a 501(c)(3) status granted by the IRS.

Contributions are tax-deductible to the full extent allowed by the law. Please contribute. I need your help make a cure “someday” be today!

# MY STORY

---

In October 2011, I was devastated to learn my mother had incurable Leukemia. On January 3, 2012 my world came to a screeching halt when my daughter was diagnosed with Leukemia too. Today, my mom is battling the active disease and my daughter is in remission, with a bright future, in part due to life saving research funded by LLS.

*Kila was 14 when diagnosed with braces and long hair. She endured 2 1/2 years of chemo & hair loss and today is the picture of health!*
